Animal Testing Statement

Glitter Unique and our affiliated manufacturers and laboratories hereby certify the following:

- No bases in our inventory have been tested on animals for cosmetic purposes since March 11, 2009, in accordance with the European Cosmetic Regulation, either by Glitter Unique, our suppliers or on our behalf.
- None of the raw materials utilized in the manufacturing process have been tested on animals for cosmetic purposes since September 11, 2004, in compliance with the European Cosmetic Regulation, either by Glitter Unique, our suppliers or on our behalf.

We are committed to upholding ethical standards in our practices and ensuring the integrity of our products.
